

BLESSED SACRAMENT PARISH SCHOOL 2010 – 2011 RE-REGISTRATION

February 2, 2010,

Dear Parents,

As the first semester has ended, we are beginning our re-registration process for the upcoming school year. We ask for your assistance by responding to and returning this letter by **Friday, February 19, 2010** informing the office of your intentions in securing your child/children's place.

It is important that we hear from you as we set our school budget in the March-April time frame based on the number of students we anticipate for the next school year. This figure can only be ascertained from the number of families who complete the re-registration process. Likewise, re-registration is a direct factor in determining tuition costs. As tuition increases affect everyone, our hope is to keep it at a minimum. At this time this may be a minimum of 5% dependent on rising costs of diocesan increases. Again, your quick response to re-register will assist us in making decisions in the 2010-2011 budget.

Open enrollment for new students will begin as of **Monday, February 22, 2010**. At that time we cannot guarantee a held space for students of families who have not confirmed re-enrollment. Please complete the form below and return it to the office by the indicated due date above.

Be advised that your 2009-2010 tuition must be current in order for your re-registration to be processed. Please contact the Business Office if you have any questions.

If you have a pre-kindergarten child currently enrolled in our Preschool and will be applying for admission to Kindergarten, please include them below.
